

## Building Kingdom Capital

The foundation plans to take an increasing role in funding the South Pacific Bible College and to assist graduates in ministry with New Zealand Churches of Christ.

**You can be a part of this exciting God given future!**

The South Pacific Christian Education Foundation was established in 1991 through the foresight and generosity of two original donors. Since that time, the foundation's asset base has grown to more than one million dollars. This has enabled the foundation to begin to fulfil its goal of providing substantial funds for the South Pacific Bible College.

Such growth has been possible only through the generosity of an increasing number of people like you who become "friends of the foundation". This growth also occurs as a result of prudent management by the Trustees.

The South Pacific Christian Education Foundation is a fully registered Charitable Trust, and its Trust Manager is a registered Senior Member of the New Zealand Trustees Association.

# South Pacific Christian Education Foundation

***Educating for Eternity***

## What is the South Pacific Christian Education Foundation?

The South Pacific Christian Education Foundation (SPCEF) provides New Zealand churches of Christ with appropriate training and educational facilities so they can meet the challenge of sharing the Gospel of Jesus Christ in this region of the world. By supporting the South Pacific Bible College and associated programs SPCEF continues to fulfil this mission.

Contributions made to the Foundation are placed in secure investments of various forms and the returns from such investments are distributed in line with the objectives above.

## Take It With You and Leave It Too

Here is your opportunity to do what would normally be impossible—take it AND leave it! You take it with you by investing treasures in heaven. You are also leaving it behind because the South Pacific Christian Education Foundation will be around long after you and I have gone “home”. You will be building “Kingdom Capital” so that, for many years to come, your bequest can be invested and the proceeds be distributed to Christian Education.

Can you think of a better use of the resources that God has blessed you with?

## Using Your Will to do God’s Will

By making the South Pacific Christian Education Foundation a beneficiary of your estate, you provide opportunities for future generations to know the Word of God.

Should you decide to “build kingdom capital” in this way then you will need to contact your solicitor to arrange for a codicil (amendment) to your Will. Your solicitor will need to note the details of the Foundation as follows:
